歌曲欣赏

Not sure if you know this
But when we first met
I got so nervous
I couldn't speak
In that very moment
I found the one and
My life had found it's missing piece
So as long as I live I love you
Will have and hold you
You look so beautiful in white

**And from now 'til my very last breath
This day I'll cherish
You look so beautiful in white
Tonight
What we have is timeless
My love is endless
And with this ring I
Say to the world
You're my every reason
You're all that I believe in
With all my heart I mean every word**

So as long as I live I love you

Will have and hold you

You look so beautiful in white

And from now 'til my very last breath

This day I'll cherish

You look so beautiful in white

Tonight

oooh oh

You look so beautiful in white

Na na na na

So beautiful in white

Tonight

**And if our daughter is what our future holds
I hope she has your eyes
Finds love like you and I did
Yeah, if she falls in love, I will let her go
I'll walk her down the aisle
She looks so beautiful in white
You look so beautiful in white
So as long as I live I love you
Will have and hold you**

The background features a soft, artistic illustration. On the left, a large white flower with delicate petals and a visible center is shown. Below it, a small butterfly with patterned wings is depicted. In the upper right, a small, simple house with a chimney is visible. The overall style is light and ethereal, with a color palette dominated by whites, greys, and muted greens.

**You look so beautiful in white
And from now 'til my very last breath
This day I'll cherish
You look so beautiful in white
Tonight
You look so beautiful in white
Tonight**
