

When you believe

By BY Whitney Houston & Mariah Carey

Many nights we've prayed	It's hard to kill
With no 1 <u>proof</u> anyone could hear	Who knows what miracles you can achieve
and our hearts' a hopeful song	When you believe somehow you will
We barely 2 <u>understood</u>	You will when you believe
Now we are not afraid	They don't always 8 <u>happen</u> when you
Although we know there's much to fear	ask
We were moving 3 <u>mountains</u> long	And it's easy to give in to your fear
Before we knew we could	But when you're 9 <u>blinded</u> by your
There can be 4 <u>miracles</u> when you	pain
believe	Can't see your way safe through the rain
Though hope is frail	Hope is still a resilient 10 <u>voice</u>
It's hard to kill	Says love is very near
Who knows what miracles you can 5 <u>achieve</u>	There can be miracles when you 11 <u>believe</u>
When you believe somehow you will	Though hope is frail
You will when you believe	It's hard to kill
In this time of fear	Who knows what miracles you can achieve
When prayer so often proves 6 in vain	When you believe 12 <u>somehow</u> you
Hope seems like the summer birds	will
Too swiftly flown away	Now you will
And now I am standing here	You will when you believe
My heart's so full I can't 7 <u>explain</u>	You will when you believe
Seeking faith and speaking words I never thought	You will when you believe
I'd say	Just believe
There can be miracles when you believe	I believe
Though hope is frail	You will when you believe
